God
a really fantastic and far-out guy,
for a really glad I got to
know who in the hell I am,
and now that I do, I really
think your "a great guy" (and cool)
you have a really nice, a hope that
you summer, for your
friend Debbie

Don't part with your illusions.
When they are gone you may still
exist, but you have ceased to live.

This is not primarily
 The place where we have to be—
 It is the place we are.
 It is not our prison, but our home.
 It is the road we must walk,
 And the walking of it is called life.
 Because we will walk it only once,
 Then how important it is
 That we should walk it
 With some purpose we can call our own.

Travel if you must
 leave your home and find your highway,
 ride the desert lands and mountain tops.
 Do what you want
 but don't forget what you have been,
 because what you are and what you will be
 cannot be separated from what you were
 Before your travels began.
